

INSITE

INTERSTATE NATIONAL SYSTEM
FOR INFORMATION, TRACKING,
AND ENFORCEMENT

A BETTER WAY TO WORK

INSITE is more than an upgrade to ICOTS. While the processes may feel familiar, the overall experience has been fully modernized, with a cleaner design that makes navigation more intuitive and daily tasks faster and easier.

SIMPLER EXPERIENCE

Designed to be intuitive. Built to be better.

- ✓ Streamlined dashboard replaces the Assistants tab
- ✓ Faster, more effective search
- ✓ Important system announcements at login

SMARTER WORKFLOWS

Less guesswork. Fewer steps. More time for what matters.

- ✓ Notifications upon login
- ✓ CARs moved to Communications
- ✓ Pre-transfer questions guide users to the correct activity
- ✓ Approval removed for some record management tasks

CLEARER DATA & REPORTING

Better visibility. Better decisions.

- ✓ Modernized reports with real-time “pending” views
- ✓ Cleaner, more reliable data throughout

STRONGER SECURITY

Your data. Your trust. Our priority.

- ✓ Multi-factor authentication for added protection

INSITE

New look.
Smarter system.
Better experience.
